## Activities in City Park

A downtown parade is scheduled to start at 10:00 a.m. and will proceed from the elementary school to the courthouse, where from there, numerous other activities will continue on into the afternoon and evening, with the Fireworks Display scheduled for 9:30 p.m.

## Budget Cuts Underway

# County Facing Financial Dilemma

By Joe Schrader  
CCA Staff Writer

Alarmed by a report in May by Treasurer Joe Wakeley that County over-spending exceeds 21% has prompted Crawford County Commissioners to seriously examine spending in the county.

In a report to the com-

mission in May, Wakeley indicated that county money may well be exhausted as early as October unless a financial study can determine a plan to reverse overspending that could run, according to one of Wakeley's projections, in the "red", over \$400,000.

In a recent talk with Treasurer Wakeley, he indicated that the Financial Committee has been hard at work over the past few weeks studying the economic dilemma. Members of the finance committee include Matt Bidvia, Jackie Bonkowski, Jeanette Kitchen, Andy

Neilson and Larry Mattis.

A major factor in the current deficit has resulted from "non-reflective budgeting", according to Wakeley. A typical example is that a \$68,000 county insurance bill was recently received but only \$25,000 had been budgeted for that particular line item.

Following Wakeley's ominous report to the commissioners in May, the finance committee met quickly in special session to review the problem and subsequently knocked almost \$50,000 out of previously approved budget requests.

Complicating the

problem too is failure on the state's part to pay Swamp Tax revenues, exceeding \$60,000 which was plugged into the anticipated local income for 1979. According to Wakeley, fate of the Swamp Tax payment is now hung up in joint com-

## Board of Ed. Sets Aug. 13th For New Millage Vote

By Jeanne Lange  
CCA Staff Writer

On August 13, another millage election will be held. The Board of Education will be asking for the same amount, 18.90 mills for the 1979-80 school year.

As of now the schools will be able to open in September but will have to close its doors after September. The school has a total of 7.1 operational mills to this date.

If the millage does not pass many of the programs

will have to be cut. There will be no sports or music of any kind and classes would be larger than they are now, according to the Board of Education.

"A renewal probably would have passed but we wouldn't have enough money to operate, we need the additional 3.25 mills," said Dr. Dietrich, Superintendent. "We have not threatened people but they will have to know what will happen if the millage fails."

Members of the board

feel the millage was turned down because of voter apathy. They also feel the people who turned it down are the ones who don't have school age children, so they are not concerned with the schools.

The Municipal Finance Commission Resolution was adopted at the special meeting.

"This would give the school enough funds to carry through September. To get that far we have to borrow against our 7.1 mills," said Paul Lerg, Assistant Superintendent. "We are allowed to borrow 50 percent which would be \$335,000."

In the past when you borrowed money you were able to turn around and spend the money again. It is not like that anymore, this may cause a cash flow problem. To get the money the Finance Commission would have to go through last years audit, this years audit and then they would either grant the money or deny the money, according to Lerg.

"Our only hope is to pass the election August 13, as of now we have no money," concluded Lerg.

### Michigan Guardsmen In Final Week of Summer Training

By Maj. E. Robert Zarwell

Michigan National Guard men and women began their second week of training today, after a very successful first week. Many units will return to the field to continue combined arms tactics where unit members learn to work together with members of other units.

At first, the infantry trains with the infantry, then shifts to train with the artillery or armor (tanks). Their next training situation may call for them to train with the aviation for airmobile operations. Units undertaking combined arms training at Grayling include the 1-125 Infantry headquartered in Flint and the 3-126 Infantry Battalion headquartered in Wyoming, Mich.

Members of the 1-125 also are learning skills on weapons new to the Guard. They are learning to fire

the TOW and Dragon missiles, the Army's new wire-guided anti-tank missiles. Accuracy in firing is practiced using laser like aiming devices on moving targets approximately one-quarter mile away. The device is new to the National Guard and is first being used at Camp See Guardsmen on Page 2

### Warning

"Range firing will be conducted by units of Michigan Army and Air National Guard during the period 27-30 June and 3, 5, & 6 July 1979. Small arms, demolitions, mortars, tanks, field artillery, high performance fighter aircraft will be firing on the ranges located at Camp Grayling during this period.

The ranges will be closed during the above dates and all persons are warned to stay out of the range areas.

## Bits O'Talk

By Fay Bovee

Flowers are starting to appear in various places throughout the community. Mrs. Gildner's petunias are starting to bloom. Millers Hardware has set out yellow marigolds and we noticed some planting going on in front of Al's Shirt Shop. One of the most interesting displays of domestic columbines is hidden behind our garage-flowers we had never seen until last year. Anyone interested, just give me a call.

Tom Weideman of Central is spending the summer at his parents, the Art Weidemans.

The Grayling State Bank deserves a thank you for the planting they had done in the stones at the corner. Matt Vajda of Flowers by Josie did a very nice job!

Mr. and Mrs. John Linendoll and Mitch were in Ann Arbor for Mitch's checkup on Friday and Friday evening they met their daughter, Sheri, and Kristen Casler at Metro Airport where the girls flew in from Tennessee. They had been visiting the Bob LaMotte family.

Carl and Rose Hatfield flew to Gainesville, Fla., to spend two weeks visiting the Warren Hatfield family. They attended Connie's graduation from Buchholz High School in Gainesville.

Calvin Schreiber and sons, David and Richard, and Chuck Avery and his son, Chuckie, of Mancelona spent four days in Canada, near Chapleau, fishing for pike and walleye.

## Guardsmen

Grayling by units from the 46th Brigade, located in Wyoming.

Engineers are taking on a different role at this years camp by training in the tactical area. Instead of just building bridges and constructing roads, they're also training in defensive operations. Building tank traps, obstacles used to deter enemy troop movements and emplacing defensive weapon systems are among some of the tactical training they are receiving. Rappelling is being undertaken by the 107th Engineers who use that skill when checking bridges or other combat construction projects before letting heavy equipment and troops move across.

At Howell Lake, the 1347th Engineer Company from Sault Ste. Marie will be setting up a fixed and float bridge operation. The bridges are needed to cross streams and rivers, as well as serve as barging equipment across larger bodies of water.

Members of the 1432nd Engineering Company from Wyoming were the first National Guard unit to receive a Medium Girder Bridge. The bridge, made from a lightweight aluminum alloy, can span across a hundred-foot wide body of water. No heavy equipment is needed to build the bridge and it can be set up in less than two hours.

Representatives from TRADOC, the Army's Training and Doctrine Command at Ft. Eutis, VA, will be working with units just receiving the audio-visual tec trainers, a film audio system used for training individuals on use of equipment or tactical maneuvers.

On Wednesday evening many of the guards had the chance to put their training to use in a real-life situation. Lightning struck on Knob Hill at a communications center. Forty-eight guardsmen were evacuated to the camp hospital for treatment of shock and minor burns. The whole camp responded to the situation and handled the emergency with efficiency. None of the guardsmen were seriously hurt and most were released from the hospital later that evening. The rest were released within the next two days.

## Hospital Auction Nets \$7,000

By Joe Schrader  
CCA Staff Writer

Phones were ringing all afternoon and evening this past Saturday as area residents bid and bought items donated by merchants to benefit the growth of Mercy Hospital. It was called a Radio-Auction and some 325 items were up for bid via telephone with tremendous buys available to the general public.

According to Public Relations Director Jack Witter of Mercy Hospital, the Radio Auction was conducted under the overall direction of Margaret Lesinski, President of the Mercy Hospital Auxiliary, in an effort to raise needed funds for the hospital's expansion and renovation program.

Some of the more interesting items that were

sold will send Crawford County "Whitey" Madsen to jail for a night, compliments of an anonymous bidder. Bob Rettenmaier and his wife bought a night out at the Holiday Inn with Mayor Derek McEvers and his wife while Mr. & Mrs. Bud Joyce of Grayling bought an evening out at the Chief Shoppenagons Hotel with Mr. & Mrs. Jack Alef.

Auctioneers Mike Hauxwell, Mike Day, Wayne Hindmarsh, Pete Allen, Jack Witter and Irv McIsaac got things underway at Noon Saturday and before the dust settled at 9 p.m., some 300 items had been purchased, with the bidding action getting somewhat intense towards the ending of the fund-raising event.

Winning bidders can pay for their items at Mercy

Hospital and may be picked up at donating merchants. Some are available at the hospital.

The money collected from the Auction, conducted by local Radio stations WGRY and WQON will be contributed by the Mercy Hospital Auxiliary toward the \$8 million dollar expansion project now underway at Mercy Hospital.

## From Our Corner ...

No need for us to stare at old Smithy tonight trying to get this turkey on the road...we heard rumors Sunday...then was reassured Monday that some one saw fit to reserve a night in the county jail for only \$35.00 for your editor...first of all, we normally go first class, making sure our room overlooks the pool, where the mermaids reside—for those interested, that costs a wee bit more than 35 bucks...

Now if our mysterious donor wishes to match the cost of one night at the Grand Hotel, where we plan on spending July 19-20-21 at a Press Convention, we would consider spending a night at Sheriff Curt's hotel...but only for the good of the hospital...

Come to think about it...maybe if we spent a night at "Kojaks Hotel", we would have one night to our benefit if it ever happened we needed it...and if we ever needed the services at the hospital they may even smile and give us a little quicker service in case the old ticker needed some help...

An idle thought...wonder if we decided to make our anonymous giver fork over the 35 bucks, if Curt would make sure our room overlooked the river and No. 8 tee, just two away from our favorite 10th hole?

Roscommon and Grayling lost a benefactor Thursday, June 21st with the passing of Roy DeWitt of Higgins Lake. Mr. DeWitt moved to the north country many years ago and through his efforts had only the Roscommon-Grayling area first in his mind...he started Pioneer Logs Co., in Roscommon, he owned the Big Wheel corner of M-18 and old US-27...and recently he deeded over Pioneer Hills and many acres to COOR...it was through his foresight to purchase the old Shoppenagons Inn here in Grayling, and renovated it to be one of the more popular spots in northern Michigan as the Chief Shoppenagons Motor Hotel, all in a time when someone had to have faith in Grayling. His family will miss him most...but there are many of us here who will miss him too, knowing what he accomplished in helping the people he loved...

Last Wednesday evening we attended, along with the boss, the appreciation dinner honoring LeRoy Christian who thought some 40 years was long enough to spend in the education field. There was a fine turn-out of a hundred or more, from all walks of life...old friends, new friends...out-of-town friends...and he and Loretta's lovely family...it was a very pleasant evening, and couldn't happen to a nicer guy, unless its for yours truly...we won't mention it here and hope no one else around our table says anything about us sleeping through most of Sal's oration...

We had heard they were back...so we will mention here, Monday afternoon we talked to Bob Strong, former publisher and editor of Crawford County's only newspaper. Bob and Eva are here for our warm weather (??) Anyhow it was good seeing Bob Monday as he brought in a few Bit's from Eva...there are times in January and February we'd like to trade places with them...

Another idle thought...man we're happy our neighbor Carl Hector's spouse located the oven on her stove again...she delivered us Sunday our favorite...a lemon pie...she mentioned it was for services rendered...we deliver an Avalanche on Wednesday afternoon, just don't mislay the recipe, Gloria...

This takes care of this turkey for tonight...except for our good night to T.J., Stef and Amber wherever they are...and a reminder...we don't get mad...we just get even...have a nice weekend and a sane 4th of July celebration...we all want you all reading your favorite newspaper come next Thursday...

## The Bible Speaks

GALATIANS  
1:6-9

Perverting Gospel Damns  
Preachers to Hell Fire

"I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed." Galatians 1:6-9

To tamper with the simple gospel of "the grace of Christ" carries an extremely severe penalty. Paul says twice, "let him be accursed." The Greek word here translated accursed is "anathema" and is so solemn and strong we may paraphrase it, "let him go to Hell". To tamper with the gospel is to prevent the power of God from saving precious souls. Paul said in Romans 1:16 "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek."

Paul made clear in 1 Corinthians 15:3,4 the simple gospel which he had received, and delivered to others: "For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures." If you have been taught anything else for the forgiveness of sins and eternal life, you have been misled by a false teacher who is in danger of eternal Hell.

There are only two kinds of gospels, "the grace of Christ" and "another gospel." The gospel of grace exalts the work of God and rules out any mention of man's works toward salvation. "For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast." Eph 2:8, 9. Grace and works cannot be mixed in receiving eternal salvation, Romans 11:6. "And if by grace then it is no more works..."

Many preachers in Grayling are in danger of Hell fire for telling their people that they may be saved through Baptism, Church membership and attendance, living by the golden rule and ten commandments, experiencing

and exercising charismatic gifts or the sacrifice of themselves and their money for the cause of Christ.

One simple question can tell you if you are saved today by trusting the gospel of God's grace. Are you trusting fully in the promises of Christ's Word, that He as God took your sins upon the cross and died for your sins, and gave you victory over sins and eternal life by His resurrection from the grave???

Any degree of faith in your own efforts toward salvation, automatically takes away from the Person, Work and Word of our Lord Jesus Christ as your perfect savior. Are you trusting in the gospel of "the grace of Christ" or the perverted gospel of some men or religious organization?? (adv.)

## State Police In Special Patrols Over 4th Holiday

Michigan State Police traffic patrols, again taking part in "Operation Care", will focus attention during the 30-hour July 4th holiday period on high risk road areas and the normally heavy travel hours in afternoon and evening, Col. Gerald L. Hough, department director, has reported.

## Consortium Designated Prime Sponsor

The Northeast Michigan Manpower Consortium today announced that it had received word via U.S. Senator Donald Riegle's Office that it has been designated a prime sponsor under the Comprehensive Employment and Training Act (CETA).

Dedication as a notional prime sponsor will allow the Consortium, with main offices in Onaway, Michigan, to receive federal funds directly from the United States Department of Labor, rather than through an intermediary source, which the State of Michigan has acted as since the Consortium's inception in 1974.

Such special designation is normally reserved for metropolitan units of government over 100,000 population, and is only awarded in unique circumstances where the applicant can demonstrate a high area unemployment incidence and a high quality administrative capability. Less than a dozen such unique prime sponsorships have been granted by the federal government in the last five years.

Mr. Robert Greenwood, Chairman of the Consortium's Administrative Board, has stated that, "Our long-awaited designation as a prime sponsor should result in increased financial resources and more efficient utilization of those resources to provide local employment and training. In essence, a middleman has been eliminated."

Greenwood went on to say "Our being awarded prime sponsorship under these unique circumstances is a first within the State of Michigan, and a real compliment to our administrative mechanism. I'm very proud of the Consortium's Administrative Board, its Manpower Planning Council, and our staff, all of whom contributed to our becoming a prime sponsor. Senator Riegle and his staff have been a real force behind our recognition, and have provided key support to our effort. Without Senator Riegle's faith in our goal, we might not have been successful in our bid."

## Council Discusses Many Items

By Jeanne Lange  
CCA Staff Writer

Water, sewer billing and collection problems were discussed at the City Council meeting June 25.

The city prepares approximately 200 shut-off notices per year, according to City Manager Jerry Morford. Of the 200 notices, 80 are sent and half a dozen are shut off. Most of the bills are overdue for a year.

Mayor McEvers thought that an incentive program to get sewer-only customers on the water program and an installment plan would help in the billing and collection problem. This will be brought up as a proposal at the next meeting.

The city assessing contract had gone up from \$7,500 to \$9,500. The reason for such a high increase is because the equalization director puts in approximately 70 hours

of work. The assessing contract is not to exceed \$9,500.

The board decided to charge Bill Scheer for damage of the cemetery fence. According to the board the fence was damaged in the winter when snowplowing took place, apparently damaged by a snow plow.

Discussion on the patching of city streets took place. Those discussed include Plum, Elm, Spruce at the intersection of Ogemaw, and Spruce at the intersection of Erie. Also 165 ft. of Madsen near Fulton. The cost would be \$4 per sq. yard. It would come to a total of approximately \$4,448.00 excluding Madsen. Even including Madsen, the cost would still not exceed \$5000. Repair of State Street by Back Bridge Road would cost \$975. Patching at the City Park at a cost of \$1 per sq. ft. at

a total of approximately \$50 was also discussed.

The board also:

- Discussed the purchase of a street sweeper. The Board will decide later on whether to purchase a Whirlwind which is strictly a sweeper or a Vachaul which sweeps and cleans catch basins. Morford is expected to come back with cost figures.

- Adopted the resolution to allow Art Clough Sr. to construct a mausoleum on eight grave sights along the eastern edge. Cemeteries charge from 5 percent to 15 percent of the value for maintenance of the mausoleum. The board decided to charge 10 percent of the value, and give credit of \$150 to be put towards maintenance.

- Discussed ornaments allowed in the cemetery such as plastic fences, crushed stone and plastic flowers, this type of thing hinders maintenance. Morford is expected to come back with a resolution after June 30.

- Adopted to pay the SENTRY Sewer Evaluation Survey (SSES) bill done by Richard and Assoc. The installation of ground water wells and sub-sewer cleaning was \$25,117.35. The city paid \$3,765.66 and have a bill for \$21,551.69. They also have 1,202.29 due for hydrogeanalyst. The city will be reimbursed for 80 percent of the sub sewer cleaning.

Bids for railroad construction on M-72 east will open in September. The construction is routed so it will go around Chuck Fick's gas tanks.

## ABWA News

The June meeting of the Grayling chapter of the American Business Women's Association was held at the Senior Citizens Center. Entertainment was provided by the senior citizens' kitchen band during the meal.

Lora Gould conducted a tour of the center which included an apartment, woodworking room, arts and crafts room, game room, kitchen facilities and offices.

Niv Nichols spoke on a new program sponsored by the Crawford County Commission on Aging. Viv is coordinator for this new program-Homemaker Services. She explained what can and cannot be done by those who volunteer their time. Viv said "We need to know who needs these services in our community." She can be contacted for further information at 348-9314.

ABWA scholarship recipient, Cindy Larson, told about her freshman year at Lake Superior State College where she is studying to be a social worker. Cindy is enthusiastic about the friendly atmosphere on campus where there are about 2500 students. One of the many services offered is free tutoring.

Congratulations to Sally Wert who has been selected as the chapter's 1979 "Woman of the Year". Members celebrating birthdays this month are Doretha Carlson, Carolyn DiPonio, Karen Casler and Chris Szajner.

Plans for the Milltown Kickoff Dance are almost complete-more information will be forthcoming soon.

### Editor's Mailbox

Dear Mr. Madsen,  
Prior to the recent school election, a millage fact sheet was mailed out to a great share of the voters of Crawford County. This gave an explanation for The Board of Education's request for operating renewal of 15.65 mills and an additional 3.25 mill increase. This millage sheet could have been misleading.

For the benefit of many people, it would have seemed proper to show that the total school millage levied in 1978 was 25.75 mills and the additional 3.25 mills, if it had passed would have brought our total school tax up to 29.00 mills.

There was no mention of the additional revenue the school would receive from the increase in property evaluation. From 1978 to 1979, the State Equalized of property in Crawford Co. was raised ten million, four hundred eighty nine thousand, seven hundred sixty three dollars, (\$10,489,763.00). Of this amount, at 25.75 mills the school would have received \$270,111.00. With this amount assured, was it necessary to ask for 3.25 additional mills? It does not sound like "tightening the fiscal belt". Furthermore, a great deal was written about refunds to Senior Citizens (circuit breaker). A great many citizens in Crawford Co. are not eligible for this tax refund and consequently are subject to the tax. Property evaluation, for tax purposes, will be subject to application of a tax factor which will, in some cases, further increase the amount of tax going to the school.

When an individual is operating on a tight budget they have to cut down, cut corners, or cut out certain expenses. The school should do likewise.

With all the money that's spent for education, why do we have so many students that cannot read well, can't spell and unable to do simple math? We need schools and we need education but, are we paying more and more of our taxes to schools, while the quality of education diminishes?

A concerned taxpayer,

**"Michigan 1000" Auto Racing Instant Lottery Game Starts On June 26th**

Cash prizes amounting to over \$11 million will be at stake as the Michigan Lottery begins its new lottery game, "Michigan 1000," on June 26, 1979. The Grand Prize will be \$1,000 a week for life, with a \$1 million guaranteed minimum.

The game is new and so is the ticket, which is "computer" produced. Over 28.8 million of these colorful tickets will be distributed to lottery agents throughout the state.

Instant prizes in the new game range from a "Free Ticket" to \$5,000. Each ticket has six prize amount blocks printed on the face of the ticket. If the same prize amount appears in three blocks, the player wins that prize. If a picture of a car appears in any one block, the player wins \$50 and is eligible to enter the Grand Drawing elimination. On the average, one

ticket in four will be a winner (1:3.8).

Each \$50 winner who files a claim up to 10 days after the end of the game qualifies for the Grand Drawing elimination.

The ten Grand Drawing prizes are as follows:

- 1st (Grand) Prize \$1,000 a week for life (\$1 million minimum guarantee)
- 2nd Prize \$50,000
- 3rd Prize \$25,000
- 4th-10th Prizes \$10,000 each

Lottery agents will redeem "Free Tickets," \$2 and \$5 winners. Tickets winning \$50 to \$500 may be claimed at a Lottery Claim Center. Players who win \$5,000 must file their claim in person at a Regional Lottery Office or Lottery Central in Lansing. These offices are located as follows: Grayling-County Building; Portage (Kalamazoo)-6232 Portage Road; Marquette-105 East Washington; Oak Park-13391 West Nile Mile; Saginaw-310 Johnson in the Downtown Saginaw Mall; Lansing-6545 Mercantile Way.

Instant winners of \$50 or more will be paid by check once their lottery claim form has been processed and validated (a process which usually takes three weeks). The check is mailed to the address provided by the claimant. All Grand Prizes are paid in full the night of the Grand Drawing, with the exception of the \$1,000 a week for life which is paid in installments, with no prize obligation or payments prior to the winner's eighteenth birthday. The date, time and location of the Grand Drawing will be announced within one month after the end of the game.

# War on inflation needs volunteers

RICHARD MILLIMAN

The hat this country needs is some conscientious volunteers to enlist for front-line duty in the nation's war against inflation.

But don't count on the author of this essay to step forward; after all, it's my idea and I shouldn't be expected to volunteer.

Don't count on the United Auto Workers union, either. Their duly elected leader, Douglas Fraser, has already turned down the opportunity on their behalf.

Mr. Fraser's defense of his members' pocketbooks came recently in a tirade against Barry Bosworth, who is director of President Carter's Council on Wage and Price Stability. Mr. Bosworth was asked by a Detroit newspaper to identify the solution to inflation.

"Basically it's simple," Mr. Bosworth replied. "If everybody would just cut back his wage demands a little, just show some moderation, the rate of inflation will come back down. But everybody is looking out for his own self-interest. Everybody wants a wage increase to cover the higher cost of food and gasoline. That's the short-run answer—moderation. The long-run answer is to improve productivity."

As an aside, you should probably immediately be suspicious of anyone who characterizes the answer to the inflation tragedy as "basically simple." But anyway, shouldn't people receive wage increases large enough to cover hikes in the cost of living? Not if we're to lick inflation, according to Bosworth:

"The fact is, there is no room for everybody to get a wage increase and keep up with price increases," he said. "Prices are going to rise faster than wages for the next several years. There is going to be a decline in the real standard of living in the country."

Because of minimum growth in productivity, under the Bosworth thesis, the only way anyone is going to get "a real rise" in the standard of living is "because we screwed somebody else." For an example, Bosworth cited Mr. Fraser's union.

"Take the United Auto Workers. They want 100 percent compensation for in-

flation," Bosworth said. "On top of that, they want an extra three percent for productivity improvements...Furthermore, UAW fringe benefits have been going up faster than the national average. If the UAW demands a guarantee of four percent growth in real income, and if everybody in the United States tries to do this, the rate of inflation would be infinity."

As could be imagined, Mr. Fraser saw purple.

"We strongly reject Bosworth's view that Americans must accept a declining standard of living," he told the Detroit newspaper.

Fraser claimed prices have risen faster than wages, and that workers generally—including UAW members—are anxious to see prices curbed because workers bear the brunt of inflation.

"What Bosworth proposes is that workers and the middle class should sacrifice while corporations and their shareholders enjoy more and more profits and tax breaks," Fraser said.

In other words, if you're seeking volunteers for front-line duty in the war against inflation, go get corporations and stockholders, and leave his members alone.

"Jimmy Carter's campaign theme was that America's best years are ahead, not behind us," Fraser said. "Barry Bosworth says that's not true—that we simply must accept a declining standard of living. The American people will reject that view and those who advocate it."

Mr. Bosworth's suggestions, and Mr. Fraser's reactions to them, are both in character. Bosworth is running into the same problem this column found when we suggested something similar some time ago—that it's nigh onto impossible to find anyone to take the first cut in compensation—either wages or profits—to start the anti-inflation ball rolling.

So far the search has been for volunteers to conduct the battle against inflation; maybe the situation will become grave enough to justify conscription instead.

## Lovells Guild

The Lovells Chapel Guild met June 6, at 10 a.m. at the ladies club house for their annual clean up day.

A pot luck lunch was served at noon. Although a small group turned out much work was done.

Our next meeting will be Wed. July 11 at the club house at Noon with Margaret Douglas as hostess. Note date change because of the 4th of July Holiday. There will be a silent auction, and each member is asked to bring as many items as possible.

Let's have a good turn out. See you there. All are welcome.

### Early Music

In prehistory, the harp probably developed from the archer's bow and was played over a covered pit to add resonance. In Mesopotamia, musicians played flutes as well as drums and rattles.

## DID YOU KNOW?

BY Janice

MOST CASTLES WERE DARK AND DRAFTY INSIDE BECAUSE THE FEW SMALL WINDOWS, PLACED HIGH UP ON THE WALLS—FOR SECURITY—DID NOT ALLOW MUCH LIGHT OR WARMTH TO COME IN. WINDOW GLASS WAS NOT YET AVAILABLE. CASTLE WALLS WERE SO THICK THAT LIVING SPACE WAS TINY—EXCEPT FOR THE GREAT HALLS WHERE FEUDAL LORDS, THEIR FAMILIES, SERVANTS AND SOLDIERS DINED. THE MAIN STRONGHOLD OF A CASTLE WAS CALLED THE KEEP.

We Hold These Truths...

Our American heritage has its roots deep in our homes and hearts.

To understand it we must behold the light of hope it kindles in the hearts of enslaved men.

To honor it we must revere the institutions and beliefs upon which it is founded.

To preserve it we must exercise faithfully its privileges and opportunities.

To perpetuate it we must keep its vision bright before the eyes of our children.

To enshrine it we must thank, worship, serve and love the divine Author of Liberty.

## Par For The Course

By Fay Bovee

The second annual Pig Roast is on the schedule for this coming Sunday afternoon. The sign-up sheet for four-somes is posted at the club and a note to bring a dish to pass. So don't miss out on this mouth-watering meal. Bill Denton will don the chef's hat for another stint at the spit all day.

Whitey's prayers for rain on Wednesday are certainly raising havoc this year. The Wednesday morning league finished part of their round when threatening clouds, lightning and finally the rain called a halt. Tom had to rescue a few 'damsels in distress' in the club pickup. Upon leaving the club that afternoon a lonely four-some was left playing yukor and Tom and Melvin were somewhere out there getting soaked!

Tuesday's league fared better and Tom St. Germain posted a 35 that evening and in Thursday Chippers and Putters, Corrine Smith posted a 40 beating out gals and fellas alike.

## Bits O'Talk

by Fay Bovee

Visiting Werner and Diane Christman and their family on the Jones Lake Road are her parents, Mr. and Mrs. Adolph Nowinski, of Van Nuys, Cal. They will spend most of the summer here, leaving about August 6.

P.J. and Mike McNamara are both home from Ferris for the summer. Mike is employed at Camp Grayling and P.J. is helping out at Mac's Drugs.

Ken and Mabel Gothro spent four days in Minneapolis, Minn. visiting their son and wife, the Geoffrey Gothros and getting acquainted with their 5-month old grandson, Andrew Gregory.

The wives of the National Guard officers are to be complimented on their delicious salad buffet for the Grayling ladies on Thursday afternoon. The Chansettes from Wurtsmith AF Base presented a marvelous selection of musical numbers and received a standing ovation from the group. It was a most enjoyable afternoon.

We understood the Grayling Merc was remiss in having their flag out on Memorial Day but I was informed that it has been out everyday since—readers please note!

Out-of-town relatives for the Hoerl's party had arrived the day before for Mitch Linendoll's graduation party and about twenty of them were guests at the Jim Kolka residence for breakfast on Sunday morning.

Out-of-town guests were Lynn Kolka, of Traverse City; Mr. and Mrs. Walter Gehringer, Livonia; Donald Gehringer and sons, of Livonia; Mr. and Mrs. Jerry Gehringer, Norwalk, Ohio; Mr. and Mrs. Dale Gehringer, Romulus; Mr. and Mrs. Dave Skronek and family, Sterling Heights; Mrs. Elizabeth Kott, Flat Rock; Harry's sister, Mr. and Mrs. Harold Kott, Flat Rock; Mr. and Mrs. Kurt Kersten, Trenton; Mr. and Mrs. Arthur Hoerl, Mr. and Mrs. Dorman Hoerl, both of Taylor; Mr. and Mrs. Donald Watson, Dearborn Hgts.; Mr. and Mrs. Arlow Charles, Taylor; Mr. and Mrs. Harry Hagel, Allen Park; Mrs. Russel Ballinger and daughter, Lauria, Livonia; Mr. and Mrs. Al Lingley, Bay City; Mr. and Mrs. Joe "Pat" Kolka, Higgins Lake; Mrs. Julie Laurent, Traverse City; and Ben Webster, Carson City.

## Young Musician Picked for Tour

By Jeanne Lange  
CCA Staff Writer

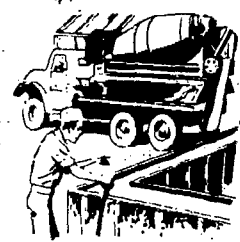

Susan Weeber, daughter of Mr. and Mrs. Donald Palmer of Grayling and John L. Weeber of Grand Rapids, has been selected to participate in the "America's Youth in Concert" sponsored by the Universal Academy for Music, Princeton, New Jersey. The purpose of the program is to demonstrate the high quality and fine character of America's youth while enriching and expanding the musical and cultural horizons of the young musician.

Susan played the first chair flute in Grayling High School's Concert Band this past year. She was a participant in the Northern Michigan Honors Band at Interlochen in Traverse City and received a one rating at both District and State Solo Ensemble Festivals, in Cheboygan and Elk Rapids. She attended Blue Lake Fine Arts Camp in Whitehall, Michigan for two summer sessions prior to coming to Grayling.

The student is selected for "America's Youth in Concert" by individual audition. The young musician will perform under the baton of outstanding university conductors while the chaperone staff consists largely of music educators from many different areas of the country. A performance will be held at New York City's Carnegie Hall prior to departure for Europe. Students will concertize in London, Paris, Geneva, Innsbruck, Venice, Florence and Rome.

## Karen Valentine At CC Playhouse

The Cherry County Playhouse, currently celebrating its 25th year of presenting star summer theatre in Traverse City, will open the second production of the 1979 season July 3. For the first two weeks in July the Playhouse will present television celebrity Karen Valentine in the William Gibson comedy *Two For The Seesaw*.

Ms. Valentine, who won an Emmy Award for her performance on *Room 222*, and is frequently a guest on many major talk and game shows has recently been spending more of her time in the theatre. She has broken house records at the Kenley Players in Ohio in *The Moon Is Blue* and *Bus Stop*. She just completed a record setting engagement as Billic Dawn in *Born Yesterday* at the Burt Reynolds Dinner Theatre in Florida.

At the Cherry County Playhouse Karen Valentine will play the role of Gittel Mosca, a girl from the Bronx who finds herself caught in a romantic entanglement with a mid-western lawyer. He is cultured and gentle and she is unsophisticated and unaware. Their relationship develops into something both comic and heartwarming.

Performances are Tuesday through Friday at 8:30 p.m., Saturday at 6:00 and 9:45 p.m., Sunday at 7:30 p.m., and a Thursday matinee at 2:00 p.m.

**NO ONE HURT**—A tanker truck with a 45 ton load of powder cement rolled over on its side at approximately 9:21 Friday morning near Camp Grayling.

The driver, Dan Louiselle, 29, of Charlevoix was transporting cement for Wemco Inc. of Dearborn. He was turning the corner on M-93 and Military Road when his brakes failed and the load shifted causing the truck to turn on its side, according to a police report. There were no injuries.

The rig had to be taken apart, with the tractor being the first part of the tanker to be put back on its wheels. (Joe Schrader photo)

### Mercy Hospital Revises E.R. Billing Procedures

As a result of some new billing procedures being implemented on July 1, Mercy Hospital authorities hope to eliminate some of the confusion and misunderstanding previously associated with statements for Emergency Room services.

For several years, Mercy Hospital's Emergency Room has been staffed by doctors from the Northern Professional Emergency Physicians, P.C., whose home office is located in Traverse City. That organization has maintained its own accounting and billing records for the services provided by their physicians. In addition to the patients being billed for the doctor's services, the hospital also submits charges for the use of the emergency room. This has been cause for some confusion for many patients

who thought they were being billed twice for the same services provided.

With the consolidation of accounting and billing responsibilities being assumed by Mercy Hospital, patients will no longer receive separate statements for the physician's services rendered in the emergency room. The hospital will handle the account for the physician and the hospital through the patient's health insurance carrier and the patient. Patients will now be able to discuss their accounts directly with Patient Accounting representatives at the hospital rather than by telephone to the Traverse City office of the Emergency Physicians Accounting Office. Hopefully, this new procedure will prove beneficial to everyone concerned.

Open Letter to Citizens of Grayling

Your outstanding support to the troops of the Michigan National Guard is greatly appreciated. Without the friendships that have grown over the years between our military members and the citizens of Grayling, this Camp could not be operated as successfully as it has been.

Nearly 7,000 Michigan young men and women are attending our Annual Training period this year at Grayling and many will return to vacation. This in itself is a tribute to the community and its sincerity in making members of the Guard welcome.

Thanks for your support and we continually look to your friendship.

## RESOLUTION

Re: House Bill 4199  
(Absentee Voter Ballots)

WHEREAS, House Bill 4199 would change the form for requesting Absentee Voter Ballots; and  
WHEREAS, Said change is an apparent effort to solve voter apathy, when in fact it might accomplish exactly the opposite result by cheapening the election process, and by eroding voting booth privacy; and

WHEREAS, The mandated cost to local government in effecting said change may be in violation of the Headlee Amendment, thus rendering said H.B. 4199 unconstitutional; and  
WHEREAS, H.B. 4199 does not appear to contain any substantial benefit to the taxpayers of Michigan, but does contain the burden of additional taxes for Michigan residents;

NOW, THEREFORE, BE IT RESOLVED, That the Crawford County Board of Commissioners does hereby go on record as being emphatically opposed to House Bill 4199; and

BE IT FURTHER RESOLVED, That this Board calls upon the House of Representatives and the Senate of the Michigan State Legislature to defeat the passage of said H.B. 4199; and

BE IT FINALLY RESOLVED, That copies of this Resolution be sent to the following: The Hon. William G. Milliken, Governor of the State of Michigan; Senator Mitch Irwin; Representative Ralph Ostling; Representative Steve Andrews; A. Barry McGuire, Executive Director, Michigan Association of Counties; and Sid Owings, President, Michigan Northern Counties Association.

Resolution read regarding County Jail Standards.  
MOTION by Bonkowski, second by Kitchen, to adopt this Resolution on County Jail Standards. All Ayes. Carried.

## RESOLUTION

Re: County Jail Standards

WHEREAS, Recent Federal Court decisions, Michigan Department of Corrections rules, and Federal regulations regarding standards for jails and mandates for improvements are causing an economic burden on the taxpayer of Crawford County and nearly every county in the State of Michigan; and

WHEREAS, The legal vernacular of recent court decisions ignores the basic realities of the costs involved when a local unit of government must provide for its jail inmates a court-mandated quality of life which exceeds the fiscal ability of that unit of government to provide;

NOW, THEREFORE, BE IT RESOLVED, That the Crawford County Board of Commissioners hereby confirms its support of Saginaw County, the Michigan Association of Counties, the Sheriff's Association, and all counties affected by Judge Harvey's Federal Court ruling concerning county jail standards; and

BE IT FURTHER RESOLVED, That the Crawford County Board

of Commissioners urges the Michigan Legislature to formulate and pass legislation that will appropriate adequate funds to carry out any State-mandated improvements in jail standards in the State of Michigan; and

BE IT FINALLY RESOLVED, That copies of this Resolution be sent to the following: The Hon. William G. Milliken, Governor of the State of Michigan; Senator Mitch Irwin; Representative Ralph Ostling; Representative Steve Andrews; A. Barry McGuire, Executive Director, Michigan Association of Counties; Sid Owings, President, Michigan Northern Counties Association; and the Lenawee County Board of Commissioners.

### Sweet Adelines Activities

"The show is over" and we feel it was a big success. Everyone who attended enjoyed the "Harmony Hounds" tremendously as they put on their usual performance of hijinks.

Many thanks go out to all the outside specialty acts, the lighting men, husbands, advertisers, and the schools Administrators for making their facilities available to us. We hate to miss anyone...but everyone who helped us put on our show have our deepest gratitude and thanks. A big thank you goes to "Kings Table" for having our Afterglow. We were treated so nice and the food was excellent!

With the closing of the final curtain the Mid-Mitten Chapter begin their summer vacation and we will not resume weekly rehearsals until September. Time and place will be given before we meet.

A "Pig Roast" is being planned for all Sweet Adelines and husbands or friends for July 21st at "Palome." Bruce Lorion, with the help of some friends, will be roasting the pig for us.

Until then...Adios, Aurevoir, Aloha, Sayonara, Chou, Good-bye.

## Financial

(Continued from Page 16)

mittee conjecture in the state's political system and whether or not the county receives the money "remains a question mark at this point."

A bright note, though, is the fact that a new computerization system will provide an update on the county's financial position on a monthly basis, thus voiding the necessity of wading through page after page of financial paraphernalia.

"Expenses for the county have over-exceeded budget predictions by an unbelievable amount," Wakeley said, "but it now appears that the Commissioners finance committee recognizes the problem and has already taken steps to reduce the deficit-spending the county is now experiencing."

In a second finance meeting held earlier this month, the Commissioners chopped almost \$50,000 off the budget including the following, which might be considered typical agency cuts:

Senior Citizens-\$3,000  
NEMCOG-1,500  
District Health-11,160  
Mental Health-3,649  
Social Services-5,000  
E.M.T.A.-400

The above are only typical examples of action taken at the last meeting, saving almost \$50,000, most of which will be transferred to pay a \$43,000 insurance bill deficit.

The balance in savings will be used to pay off a deficit still existing in the county's budget from last year. "It'll be used to reduce the shortage from 1978," Wakeley said.

A number of alternatives are being studied now by the Commissioners, including the possibility of a county-employee layoff. A number of C.E.T.A. financed employees will end their tenure on October 1st, many clerical in nature, with no county money available for their replacement. Add the value to the community their presence represents, then subtract their absence and their cost replacement pretty much tells the story of the dilemma the county is facing.

A number of cost-saving alternatives are now under consideration by the commissioners and they include:

•Possible employee layoffs

•A 4-day employee workweek

•Shorter workdays for county employees

No matter how things shake out in the final analysis, the commissioners face a problem of sorting out a budget deficit plan adopted last year that resulted in over-spending of 21% the first three months of the year.

## Bits O'Talk

By Fay Bovee

City boys move to country. City boys go back to the city. City dudes steal country boys' beautiful new blue van. Sad tale of Bob and Ernie!

The Larry McNamara home was full of a happy mixture of Portuguese and English for two days recently when six visitors arrived from Fortaleza, Brazil. Visiting were the parents of their former exchange student, Babel, and her sister Lais, who spent four weeks with them at one time. Alberto and Lais Targino, another daughter and her husband, Luiz and Maria Teresa Teixeira and the Targino's niece and husband, Dr. Otacilio and Lucia Vasconcelos arrived from St. Paul, Minn., and were met in Traverse City by the McNamaras. They were treated to a houseboat ride at Lake Margrethe which they thoroughly enjoyed and also a very short, canoe ride. The three couples flew from Traverse City to Detroit and on to New York City where they visited Mary Liz McNamara. They are on an extensive tour of the United States and S. America visiting friends and relatives.

On Sunday, Mr. and Mrs. Larry McNamara picked up their daughter, Shannon, Corey Meech, and Sue Somerville from Girls' State.

Mr. and Mrs. Clyde Weiss drove down to pick up their daughter, Lisa, from Girls' State.

Matt Bidvia attended the ordination of David R. Heller at St. Johns Lutheran Church, Missouri Synod, Rogers City, Michigan on June 17th. David will be installed at St. Matthew and St. Luke Lutheran churches, Dunbrook and Elcho, Wisconsin, on June 24th. David is the grandson of Rudolph and Emma Weizel, Rogers City, Michigan.

Jim and Linda Bostic and children, Michael and Danya of Redford, returned home after spending a few days in Grayling.

Bessie Critcher (formerly of Grayling) is in the hospital, her address is 919 Pinecrest Manor, Health Center Road, Henderson, N.C. 27536. She would appreciate hearing from her friends.

Bonnie Harag, of Charlotte was guest of honor at a bridal shower given for her at the home of Patti, Pam and Jeanne Lange. Bonnie is the fiancée of Mike Lange.

Melvin & Shirley Luter and children Mike & Shelly of Muskegon, spent the weekend visiting her parents, Clifford and Marie Malloy.

Bob and Sandy Luter left Monday for their home near Clarkston, after spending the weekend with her parents, the Bob Strongs. Bob Strong II and wife Mickey of Alpena joined the group for dinner Friday evening. Andrew Luter accompanied his parents home after spending ten days with his grandparents. While here the Luter's attended the 1954 G.H.S. class reunion on Saturday evening.

Bob and Mickey Strong of Alpena spent the weekend at the owl's Roost on the AuSable, where they were joined by her sister and husband Dick and Carol Klein, of Houston, Texas, who were here to attend the Grayling High School 1954 class reunion held at Chief Shoppenagons.
